

# KHCPL Russiaville

## Nature Explore Outdoor Classroom

Audience: Preschoolers

### Big, Big Bear

Kids will learn about what bears eat, fish for bear food, build a bear's den, and go on a bear hunt!

### Wiggling Worms

Kids will observe earthworms, use their five senses to describe gummy worms, and enjoy other worm-themed activities.

### Nursery Rhyme Time

Kids will engage in a variety of garden-themed activities, and they'll learn about Mary, Mary, Quite Contrary's garden.

For each field trip, we include a storytime and an interactive song or rhyme. We limit the number of field trip participants to 20 children, plus their accompanying adults.

Call KHCPL Russiaville to schedule  
your group's field trip today!
