More than a Memory
KHCPL received a Community Foundation of Howard County grant to make Kokomo/Howard County dementia-friendly with the More than a Memory program. It’s a multi-faceted health program to lead our community in providing caregivers, those who’ve been diagnosed, first responders, businesses, and organizations the resources they need to face the Alzheimer’s/dementia epidemic with knowledge, tools, and compassion. Look for the More than a Memory logo for related programs. For more information, please contact Lisa at 626.0807 or at lfipps@KHCPL.org.

KHCPL now offers Kindermusik, the world’s leading provider of music-based education for children from birth to age 7. See page 5 for related programs.

Beanstack is a free app which allows anyone of any age to track reading progress. Register for a variety of reading challenges throughout the year to earn virtual badges at khcpl.beanstack.org.

February: Black History Month activity
March: Read Across America
April: Poetry challenge
Thinking Money for Kids was developed by the American Library Association Public Programs Office in collaboration with the FINRA Investor Education Foundation, whose support made this exhibition possible.
