All businesses, government agencies, nonprofit organizations, and places of faith serve people living with dementia. And, let’s be honest, it can be challenging. But what if there were a way your staff could learn how to better interact with people living with dementia? What if the training only took one hour? What if it were FREE? Interested? Email or call Lisa Fipps, Dementia Friendly Indiana trainer, at lfipps@KHCPL.org or 765.626.0807.
